

SIGNPOSTING, SEGMENTATION AND TIME ALLOCATION

Give a mock speech containing all of the signposting and segmentation rhetoric, but not the arguments themselves.

You will have to come up with argument titles.

Insert “blah, blah, blah” for the argument.

Items in **bold** are high priority and must be given extra time.

| PROPOSITION | OPPOSITION |
|---|---|
| <p>FIRST SPEAKER, OPENING PROPOSITION</p> <p>Introduction Definitions Model – with detail Preview three arguments (include 2nd speaker’s) Signpost first argument Signpost second argument Conclusion</p> | <p>FIRST SPEAKER, OPENING OPPOSITION</p> <p>Introduction Accept definitions Ask for specifics on their model Preview three arguments (include 2nd speaker’s) Signpost first argument Signpost second argument Signpost your refutation of proposition first argument Signpost your refutation of proposition first argument Conclusion</p> |
| <p>SECOND SPEAKER, OPENING PROPOSITION</p> <p>Introduction Preview the speech Signpost defense of your first argument Signpost defense of your second argument Signpost refutation of opposition’s first argument Signpost refutation of opposition’s second argument Signpost for presentation of your new (third) argument Conclusion</p> | <p>SECOND SPEAKER, OPENING OPPOSITION</p> <p>Introduction Preview the speech Signpost defense of your first argument Signpost defense of your second argument Signpost your new (third) argument Signpost refutation of proposition new (third) argument Signpost extension of best arguments against first two proposition arguments Conclusion</p> |
| <p>FIRST SPEAKER, CLOSING PROPOSITION</p> <p>Introduction Preview the speech Signpost case extension(s) Signpost extension of best opening proposition issues Signpost refutation of opening opposition’s new (third) argument Signpost refutation of previous opposition’s other arguments Conclusion</p> | <p>FIRST SPEAKER, CLOSING OPPOSITION</p> <p>Introduction Preview Signpost opposition extension(s) Signpost refutation of closing proposition’s case extension Signpost extension of best opposition issues Signpost refutation of best proposition issues Conclusion</p> |
